EXHIBIT A

PART I - SUPPLIES AND SERVICES TO BE FURNISHED

A. The Contractor shall furnish the necessary personnel, supplies, facilities, and services and shall do all other things necessary to provide the support required by the Government, as requested by the Government from time-to-time. Such support shall include the following:

1. Clinical examinations, as requested by the Government, for designated personnel and in the detail required. See Appendix 1 hereto for details of types of laboratory work, x-ray work, special tests, special examinations and other services, examinations, reviews and recommendations which are involved.
2. Hospitalization of personnel, as requested by the Government, for designated personnel.
3. Medical care, as requested by the Government for designated personnel hospitalized at or near the Contractor's place of business, including special consultants' services involved in such medical care.
4. Surgery, as required for personnel of the Government, including personnel hospitalized hereunder and/or under the medical care of the Contractor's personnel. See Appendix 1 hereto for listing of types of surgery and standard costs of such surgery.
5. Professional and consulting services, as requested by the Government. Such services shall be rendered at places designated by the Government at other than the Contractor's place of business and by the Contractor's personnel approved by the Government for this purpose.
6. General administrative services, including purchase of equipment and supplies required by the Government, modification of such equipment, as required, preparation and distribution of reports and recommendations with respect to personnel of the Government assigned to the Contractor for test, hospitalization, medical care and/or surgery, and in general, responsibility

for all phases of looking after the safety, comfort and well-being of such personnel and in discharging all other administrative aspects involved in detailing of designated personnel by the Government to the Contractor for such purposes as are indicated under the terms of this contract and in furtherance of the Government's program requiring the Contractor's services hereunder.

7. Such other support as may become necessary from time-to-time and within the capability of the Contractor to provide to the Government, as requested by the Government and agreed to by the Contractor.

PART II - ESTIMATED COST

- A. The estimated cost of the performance of this contract is Fifty Thousand Dollars (\$50,000).

PART III - PAYMENT

A. In accordance with standard Government procedures in connection with cost contracts, the Government shall pay to the Contractor, upon the presentation of proper invoices, as full compensation for the performance of this contract, the allowable costs incurred by the Contractor in performance of this contract and accepted as allowable costs by the Contracting Officer under this contract.

B. Allowable costs under this contract shall consist of (1) necessary direct costs incurred by the Contractor in performance of the contract work at rates for clinical examinations, hospital charges, medical fees, surgical fees and consulting services as set forth in Appendix 1 to this Exhibit A, (2) necessary direct labor charges (doctor's services, secretarial services, etc) at rates in accordance with the Contractor's established labor or salary structure, (3) necessary travel, in accordance with the Contractor's established travel policies, (4) required supplies and equipment at invoice costs, and (5) such other necessary costs as may from time-to-time be necessary to incur in support of the Government's needs hereunder, as approved by the Contracting officer (pilot insurance expense, rental of private aircraft, etc.)

C. Indirect costs shall be reimbursed to the Contractor as allowable costs under this contract in the amount of 10% of the direct costs incurred hereunder and accepted as direct costs by the Contracting Officer. Such rate of 10% is fixed for the life of this contract.

D. No fixed fee or profit is applicable to this contract, it being the intent of the Contractor to perform the contract work on a cost-without-profit basis.

PART IV - PERIOD OF PERFORMANCE

A. The period of performance of the contract work hereunder shall be completed on 30 June 1956, provided however, that such period of performance may be extended by mutual agreement of the Government and the Contractor.

PART V - RECORDS

A. The Contractor agrees to maintain books, records, documents and other evidence pertaining to the costs and expenses of this contract (hereinafter collectively called the "records"), in accordance with standard Governmental procedures applicable to cost-type contracts.

B. The Contractor agrees to make available at the office of the Contractor at all reasonable times any of the records pertaining to this contract for inspection, audit or reproduction by the Contracting Officer or his authorized representative.

PART VI - APPLICABLE RATES FIXED CHARGES AND FEES

A. The Contractor warrants that the rates, fixed charges, and fees set forth in Appendix I to this Exhibit A (laboratory work, X-rays, special tests and examinations, hospital charges, medical fees, surgical fees, out-of-town professional services, travel and salary rates) are not in excess of the rates, fixed charges and fees charged to other Governmental contracts for similar services, and that such rates, fixed charges and fees fairly represent the Contractor's established and standard policies with respect to furnishing similar services to other customers, or, where applicable, to the general public.
